LEAVE OF ABSENCE FORM BASIC DEGREE DIVISION

One leave of absence may be granted during the eight-year period that students have to complete their program for the time of first admission. A leave is granted for a period of an academic year. It is motivated by factors of health or other personal circumstances having to do with finances or family obligations. A leave does not reduce the time that students have upon their return to complete their programs.

If a Leave of Absence Form is not completed, interruptions in your program will count toward the time limit for completion of the degree.
